

This 5th Cross-Country for JEEP-ONLY will be the most spectacular and will be run largely in the Alps.

The organizing team Willem van Holten and Gerrit Seys guarantee through their decades of experience as Off-Road rally drivers and organizers an unforgettable tour that will take you to places to which only a few have access.

The route can therefore only be driven with a Jeep

equipped with 4x4, all models from Wrangler to Avenger 4XE can complete this tour. Everyone can drive individually at their own pace to decide where to stop for breaks and/or sightseeing etc.

From Epinal, the route it in 4 day stages to finish at the 4x4 fair in Valloire

During the stages, there will be mid-day stops along the way for an extended lunch break together with the all participants.

You will drive the route using a roadbook or digital GPX file. For those without experience, on the day before the start we will provide extensive help on how to ride a GPX route which is super easy so that one cannot drive the route wrong on the way.
